

Director's Desk

What a way to kick off our summer program! The staff is getting acquainted with their new kiddos, your little ones are getting adjusted to their new classrooms, and most importantly, we are having lots of fun! During this busy time of year, it is especially important to ensure that you are reading your weekly newsletters from your child's classroom to guarantee that your child is prepared every day! If you are not receiving the weekly e-mails, please let the front desk or your child's classroom teacher know.

Jennafer Hobbs
Director

Summer Fun

Our themes for the summer are divided into discovery units. Each teacher will tailor their weekly lessons to the interests of their classroom, the needs of their little ones, and the theme for the week. Please watch for the lesson plan in your classroom's weekly email.

Please also be sure to read your weekly emails thoroughly as a reminder for what supplies to pack each day.

- 6/17 - 6/21: Welcome to Summer!
- 6/24 - 7/5: Summer with Science
- 7/8 - 7/19: Summer Under the Sea
- 7/22 - 8/2: Summer Safari
- 8/5 - 8/16: Summer of Superheroes
- 8/19 - 8/22: Celebrate Summer Memories

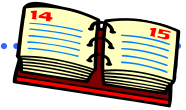

Staff Member Highlight

Ms. Hannah B. Summer Rec Assistant

Hannah is such a delight to have on our team! She has such a kind demeanor and brings so much positivity inside the classrooms. She cares about the children and really shows it through her time here. We are very happy to have Hannah at WCLC!

Water Play Days & Sunscreen

During the summer, we strive to utilize the warm, sunny weather as much as possible. Please be sure to apply sunscreen to your child each morning before drop off. Please also remember to pack a labeled water bottle for outdoor time. We are happy to have sprinkler water play for our Preschool and Summer Rec classrooms throughout July and August. Some Early Preschool classrooms will get to play with our water tables as well.
