

Director's Desk

We are so excited that summer is finally upon us! I am hopeful that the sun will be shining bright and we'll be able to have a lot of outside time enjoying the warm weather these next few months. I would like to take a moment to thank you for allowing us to care for your children this past year. It is such a privilege to be entrusted with your little ones each day and partner with you in their growth and development each and every year! I am looking forward to a great summer with you all!

Summer Preparation

- If you have received an email or Procure message about an incomplete student file, please ensure that your child's file is up to date **BEFORE** June 10th.
- If we do not have an updated student file or a completed Yellow Emergency Card, your child will not be able to check in for our summer program until their file is complete. Thank you in advance for keeping us in compliance with Licensing.
