

Director's Desk

How is it already the last month of summer?! It has been such a joy watching your little ones enjoy all of the fun water play, exciting art activities, and exploring the great summer themes! During this busy time of year, it is especially important to ensure that you are reading your weekly newsletters from your classroom teacher to guarantee that you are prepared for all of the activities happening every day. If you are not receiving the weekly e-mails, please let your child's classroom teacher know.

Fall Information

Please be on the lookout for information regarding our upcoming Fall Program. In late August, you will receive an email with the 2022/2023 School Calendar, our most current Parent Handbook, a School Supply reminder, and any other information needed for our fall program. You will also be asked to update your child's yellow card before the start of our Fall Program.

Covid-19 Reminders

- ☀️ Masks are optional for all in our building.
- ☀️ If your child tests positively, WCLC will require a 5-day minimum quarantine. Please continue to inform us of any positive test results.
- ☀️ WCLC will not require a quarantine for those directly exposed, unless he/she is exhibiting symptoms.
- ☀️ While WCLC will continue to put safety first, please understand that there is always the potential risk of exposure. We will be relying on our families for their cooperation, support, and partnership to work together to keep our Center safe and healthy.

Staff Member of the Month

Ms. McKenzie
Teacher's Assistant

Ms. McKenzie started out at our Seaboard campus, and we're so happy to she decided to continue her WCLC journey at Great Neck last year. She goes above and beyond to make sure the children are well taken care of, and we really appreciate her positivity, creativity, and organization in the classroom.
