

Director's Desk

How is it already the last month of summer?! It has been such a joy watching your little ones enjoy all of the fun water play, exciting art activities, and exploring the great summer themes! During this busy time of year, it is especially important to ensure that you are reading your weekly newsletters from your classroom teacher to guarantee that you are prepared for all of the activities happening every day. If you are not receiving the weekly e-mails, please let your child's classroom teacher know. Thank you all for a wonderful summer!
