

## Director's Desk

What an exciting summer we were able to share with all of our families! Although we had many extremely hot and/or rainy days, we had so many opportunities for fun and learning.

We would like to welcome all of our new families to WCLC! We count it such a privilege to be entrusted with your precious little ones each day and look forward to sharing with you in their growth and development. We are so excited to start a new school year with all of you!

## First Day Reminders

- Prior to drop off on the first day of school, if you have not done so already, please be sure that your child's yellow card has been updated. This is a state requirement and a great time to ensure that we have the most accurate information for your family.
- Please be sure to bring in your child's classroom supplies on the first day of school.
- Your child's safety is our top priority. Please remember that a ticket is required for dropping off and picking up. We appreciate your cooperation.
- Please do not park vehicles curbside or in front of the crosswalk; these are designated bus loading/unloading/ pedestrian zones.
